

TK753 - Universal GSM Genesis GC-60D Placement Machine (2007)

Model: GSM Genesis GC-60D Placement Machine

SKU:

Year: 2007

Description:

Universal GSM Genesis GC-60D (2007) Placement Machine

Name: Universal

Model: GSM Genesis GC-60D

Year: 2007

Product code: 4990C

Equipment #: 10091732

Product tree #: 49714303

Voltage: 200-240 Hertz: 50/60

Machine dimensions:

Length: 1676mm

Depth: 2248mm

Height: 1905mm

Description: Genesis Platform GC-60D

Placement 1 CTR: 91605249

Placement 2 CTR: 80198291

Software Type: Microsoft Windows 2000 5.00.2195 Service pack 4

Software Type Machine: UPS+Control Panel (SM UPS+Version 6.3.2.1

Range of components: 0402 inch to 30mm square

Manuals: Voyager on machine CPU

Fiducial camera type: Firewire 1394 PEC

Component camera type Head 1: OTHC (WFOV) Firewire 1394 2.9 mil per pixel

component camera type Head 2: OTHC (WFOV) Firewire 1394 2.9 mil per pixel

Component camera type Head 1: OTHC (NFOV) Firewire 1394A .8mil per pixel

component camera type Head 2: OTHC (NFOV) Firewire 1394A .8mil per pixel

Beams/Gantries: 2

Head Type: Lightning

Spindle on Head: 30 spindles on each head

PCB Flow: Left to Right

Placement Rate: Max CPH 60,100

PCB Dimensions: 508mm x 508mm

Rail Width Control Type: Automatic

Nozzle changer available?: Yes

PVS Bar Coding: Yes

Component feeder capacity: 72 slot dual-track 8mm

Quick Product Change-over: Yes

Feeder Change-over Cart Qty.: No

Weight: 3568 kg

Pressure: 90 Psi

Frequency: 47-63 HZ

Full Load Current: 35 Amp
