

## TK1231 - Vitronics Delta 3 Wave Soldering Machine (2013)

Model: Delta 3 Wave Soldering Machine

SKU:

Year: 2013

### Description:

#### Vitronics Delta 3 Wave Soldering Machine (2013)

Manufacturer: Vitronics

Model: Delta 3

SN: 13-90002

YOM: 2013

PCB Count: ~5700 (Never went in full production, used in NPI Lab environment with very limited use)

#### Machine Specifications:

OS: Windows 7 Professional

Application version Delta 3: V.4.7.1

Application version CDS: V4.5.5 a

Manual Pot height sensor

Main Wave and pump propeller

Max PCB Width: 350mm

Single nozzle spray fluxer

Fingers config: 1L and 1V

Finger cleaning option

Bottom Preheaters: Zone 1 - Calrod, Zone 2 - Forced Convection, Zone 3 - IR

Top Preheaters: Zone 2 - IR, Zone 3 - Forced Convection

Power: 380VAC, 50 KVA, 50 HZ

Machine Weight: 2200 Kgs

Made in Netherlands
