

TK1378 - Nutek LYNX NTM510ICL-05-1 0.5m conveyor

Model: LYNX NTM510ICL-05-1 0.5m conveyor

SKU:

Year:

Description:

NUTEK / Lynx NTM510ICL-05-1 0.5m conveyor

Brand: Lynx/NUTEK

Model: NTM510ICL-05-1 - 0.5 meter conveyor

YOM: 2000

Rail length: 500 mm

SN 2000-0559 A05 (multiples available)

PCB Width: 50 to 350 mm

PCB Direction: L to R or R to L

Speed: Adjustable

Switch: Foot Switch

Control System: PLC

Communication: SMEMA for both in & out

Dimensions: 500*700*950 mm

Power Supply: 1 PH AC 110V 50/60Hz

Rugged steel design, improves equipment stability .

Smooth stainless steel screw to adjust the width of the rail.

Variable speed control.

Circuit board testing mode.

Using a dedicated aluminum slot for transfer orbit to prevent PCB stuck.

Heavier bottom design, not easily shift.

Machine length can be customized.

Compatible with SMEMA interface.
