Description:

Ultrasonic Systems, Inc. OPTIMA - 1 / FCM3 external spray fluxer

Brand: USI

Model: OPTIMA - I / FCM 3

Model #: 4.0704.003.120

Max Board Width: 24"

Supply Voltage: 120 VAC

Phase: Single

Frequency: 50/60 Hz

Made in USA

Specifications of OPTIMA Flux Coating:

Performance: Optimal choice for precision spray fluxing applications such as wave soldering where better than +/- 1% flux deposition variation and complete flux penetration of plated through-holes is critical.

Low Maintenance: Self-tuning ultrasonics make the OPTIMA virtually maintenance free.
